& NSA 25X9

Mr. Polyzoides referred to the discussion by the Board of the proposal made by Dr. Tordella (NSA) to consider offering the [REDACTED] an "exclusive use" area within USA-60. The Board, on 18 April, referred the proposal to the COMINT and ELINT Committees for consideration and development of a recommendation for USIB at its next meeting.

Various points involved in the consideration were discussed, such as;

USIB-CC-13.5/59

Item Not on the Agenda for the 24th Joint Meeting of the COMINT and ELINT Committees, held on 20 April 1962.

Subject: 25X1D6a

& NSA 25X9

References:

- (a) USIB-C-13.5/70 dated 12 April 1962
- (b) Item 5, USIB-M-210, dated 18 April 1962

PROBLEM:

To consider the USIB charge, recorded in Reference (b), relative to Reference (a) and to determine the method to be used for development of recommendations for the Board.

DISCUSSION:

Some of the ramifications of the problem were discussed including which other committees would have a direct interest in and responsibility for participating in development of recommendations for USIB review.

Mr. Polyzoides suggested the Chairmen of the COMINT and ELINT Committees discuss the matter with the Chairmen, Security Committee, GMAIC and others to determine proprietary interests in the problem, and that the appropriate Chairmen then work out the necessary concepts as guidance for an ad hoc working group. The group of Chairmen would act for the various committees in the final review of recommendations subsequent to COMINT and ELINT Committee action and prior to Board consideration. In the interim, each department, agency and service would undertake necessary staffing of the References to be prepared to participate properly at the working group and Committee level.

DECISION: (20 April 1962)

(1) The Chairman, COMINT Committee, with the Chairmen, ELINT, Security, GMAIC, and others as necessary, to develop basic guidance for use of an ad hoc working group.

(2) After working group action and review/approval of the COMINT and ELINT Committees, the group of Committee Chairmen is to be the final review authority prior to USIB consideration of the proposed recommendations.
